## SELF SUSTAINABLITY

With an aim at being Self-Sustainable, we grow our own vegetables in our own garden! Our home-cooked meals are made using ingredients from this garden.

## VEGETARIAN MEALS

At our home, we pride at serving delicious Vegetarian meals. Our non-vegetarian guests can assure you that they haven't missed their chicken!

## WIFI ZONE

WIFI ZONE - coming soon! So that you can enjoy being amidst nature, while still being able to fulfill your work.

## SOLAR ENERGY

With an effort to conserving energy we use Solar Water Heater.

## ECO-FRIENDLY

With an intention at being Eco-Friendly we designed our home as a load barring structure with a binding of Soil, Sand and minimal Cement.

# An Amazing Staff

Kalpana Tai and Anil Bhau, our wonderful caretaker ensures that you and your team have a pampered, comfortable and hassle free stay! Her amazing hospitality and food is definitely one of our USP's.

# We Can Organise

Outdoor space for board meetings
One on one coaching sessions
Leadership training through yoga philosophy
Projector and Mike arrangement
Bonfire session
Walk in the meadows
Rock Climbing & Rappelling
Trekking

## Our Vision

To be an integral space for you to come home to yourself

## Our Mission

To create an environment for you to reconnect and realign with your inner selves or each other amidst nature

"We believe that an authentic leader first learns to lead oneself before leading others and seek oneself before seeking others."

## Avabodha offers three types of services in the Leadership Retreat space

For Leaders – Re-create your story (Come as an individual to reflect, re-align and re-create)

For Team Members – Conversations for collaboration (Come as a functional team to have conversations that will bring you closer as people and bond without external stimuli)

For Core Executive Team – Purpose with a passion (For SME's or small organisations driven by a core founding team. Come to review your past, plan your future or simply rejuvenate in the present.)
